representative fails to approve or disapprove any design or location within thirty days after plans and specifications have been submitted to it or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to completion thereof, such approval will not be required and the covenants contained in these restrictions shall be deemed to have been fully complied with.

Neither the members of such Committee nor any designated representative shall be entitled to any compensation for services performed pursuant to these restrictions. At any time a vacancy exists on said Committee the corporation shall have the right to fill any vacancies; and should it fail to do so within thirty days after receiving notice of such vacancy, the remaining members or member of the Committee shall have the right to fill any vacancy.

All appointments and designations of persons as successors to the Committee shall be made in writing by a recordable instrument, which shall be filed for record in Harris County, Texas. The powers and duties of the Committee, as from time to time constituted, shall continue in force during the effective period of the restrictions hereby created.

All of the restrictions and covenants herein set forth shall continue and be binding upon the corporation and upon its successors and assigns for a period of twenty-five (25) years from the date this instrument is filed for record in the office of the County Clerk of Harris County, Texas, and shall automatically be extended thereafter for successive periods of fifteen (15) years; provided, however, that the then owners of the legal title to the lots shown by the records of Harris County, having more than fifty per cent of the front footage of the lots shown on the recorded plat of Oak Forest, section one, may release all of the lots hereby restricted from any one or more of said restrictions and covenants, and may release any lot or building site shown on said plat from any restriction or covenant created by deed from the corporation at the end of the first twenty-five (25) year period or at the end of any fifteen (15) year period thereafter, by executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the manner then required for the recording of land instruments, at least two (2) years prior to the expiration of the first twenty-five (25) year period, or at least two (2) years before the expiration of any fifteen (15) year period thereafter.

The restrictions herein set forth shall be binding upon the corporation, its successors and assigns, and all parties claiming by, through or under it or them, and all subsequent owners of property in said subdivision, each of whom shall be obligated and bound to observe such restrictions, covenants and conditions, provided, however, that no such person or corporation shall be liable except in respect to breaches committed during its, his or their ownership of said property.

The violation of any such restriction, covenant or condition shall not operate to invalidate any mortgage, deed of trust, or other lien acquired and held in good faith against said property, or any part thereof, but such liens may be enforced as against any and all property covered thereby, subject nevertheless to the restrictions, covenants and conditions herein mentioned.

Oak Forest Corporation, its successors and assigns, shall have the right to enforce observance and performance of such restrictions, covenants and conditions, and in order to prevent a breach, or to

 2 remedies, to an injunction either prohibitive or mandatory.  
 3 The owner of any lot or lots affected shall have the right either to prevent a breach of any such  
 4 restriction, covenant or condition or to enforce the performance of same. Maintenance Fund. A sum  
 5 equivalent to one dollar (\$1.00) per lineal foot based upon the front footage of each lot shall be  
 6 added to the sales price of each lot when sold, and when collected from purchasers either out of  
 7 the cash consideration, or as a part of the deferred purchase consideration, shall be set aside as a  
 8 maintenance fund and held by Oak Forest Corporation and used for the purposes hereinafter provided.  
 9 An accounting of such funds shall be made during January of each year for the preceding year,  
 10 commencing January 1, 1947; and a statement of receipts and disbursements of this fund shall be  
 11 posted in the office of the corporation or upon some prominent location upon the property in said  
 12 subdivision. In case such deferred payments are made in  
 13 installments, the corporation shall set aside a proportionate part of all installment payments  
 14 received for the payment of any lot, or a pro rata basis of the cost of the lot and the amount of  
 15 the maintenance fund included in the sales price of same.  
 16 The maintenance fund so created shall be used for the purpose of maintaining streets, utilities,

 18 interest of and for the general welfare of the property owners of said subdivision as a whole.  
 19 The maintenance fund may be used for such purposes in the discretion of the corporation beginning  
 20 November 1, 1946. The corporation reserves the right to transfer  
 21 said fund and the administration thereof, if and when it so desires, to three (3) individuals who  
 22 shall be resident property owners in said subdivision, such persons to constitute a Board of Trustees  
 23 representing all of the owners of property in said subdivision in the administration of the maintenance  
 24 fund. The trustees so appointed shall continue to act as such,  
 25 subject to removal by the corporation for any act considered by it adequate, and said corporation  
 26 shall have the right in case of such removal, or should a vacancy occur by death, resignation or at  
 27 refusal of a trustee to act, to appoint successor trustees for the administration of said fund.  
 28 In case the corporation should be dissolved or should fail or refuse to appoint a successor trustee  
 29 within thirty days after receiving notice that a vacancy has occurred, any two remaining trustees  
 30 then acting as such shall have the right to fill such vacancy.  
 31 If at any time the owners of fifty-one per cent of the lots in said subdivision (one lot or homestead  
 32 constituting one ownership) should become dissatisfied with the management of the trust, they shall  
 33 have the right to remove any trustee or trustees and to designate and appoint a substitute trustee  
 34 or trustees by written petition bearing the signatures of the property owners so acting.  
 35 The petition shall show the property owned by each petitioner. In case property is  
 36 owned by a man and wife as community property, the signature of the husband alone shall be sufficient,  
 37 except that in cases where the husband resides elsewhere or has abandoned his wife, her signature  
 38 alone shall be sufficient. The petition shall be presented  
 39 to the Board of Trustees then in office, and if such trustee or trustees, whose removal is desired,  
 40 does not resign and turn over to the remaining trustees any funds in his possession, upon such request  
 41 the petitioners making such request shall have the right to resort to appropriate legal action.  
 42 For the general benefit of Oak Forest, Section one, and any other sections of Oak Forest, developed  
 43 in the future, the corporation or the Board of Trustees that may be created are hereby given the  
 44 right to consolidate the maintenance fund collected or accrued, with any or all maintenance funds of  
 45 other sections of Oak Forest, provided such consolidation of funds would more effectively operate  
 46 and maintain all sections more economically than if in separate units.
