The majority of such committee shall have the right to designate a representative to act for it in all matters arising hereunder. In the event of the death or resignation of any member of the Committee, the remaining members or member shall have full right and authority to act hereunder and to designate a representative to so act. In the event said Committee or its designated representative fails to approve or disapprove any design or location within thirty (30) days after plans and specifications have been submitted to it or, in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to completion thereof, such approval will not be required and the covenants contained on these restrictions shall be deemed to have fully complied with.

Neither the members of such Committee nor any designated representative shall be entitled to any compensation for services performed pursuant to these restrictions. At any time a vacancy exists on said Committee, the Corporation shall have the right to fill any vacancies; and should it fail to do so within thirty (30) days after receiving notice of such vacancy, the remaining members or member of the Committee shall have the right to fill any vacancy. All appointments and designations of persons as successors to the Committee shall be made in writing by a recordable instrument, which shall be filed for record in Harris County, Texas. The powers and duties of the Committee as from time to time constituted, shall continue in force during the effective period of the restrictions hereby erected. If, at any time, the Corporation is dissolved or otherwise ceases to exist, then thereafter the owners of fifty-one (51) percent of the lots in Oak Forest, Section Three (one lot or home site constituting one ownership) becoming dissatisfied with the Committee as then constituted, shall have the right to remove any member or members of said Committee, and may designate and appoint a new member or members by written petition bearing the signature of the property owners so acting. The petition shall show the property owned by each petitioner. In case property is owned by man and wife as community property, the signature

of the husband alone shall be sufficient, except that in cases where the husband resides elsewhere or has abandoned his wife, her signature alone shall be sufficient.

DURATION OF RESTRICTIONS

All of the restrictions and covenants herein set forth shall continue and be binding upon the Corporation and upon its successors and assigns for a period of twenty-five (25) years from the date this instrument is filed for record in the office of the County Clerk of Harris County, Texas, and shall automatically be extended thereafter for successive periods of fifteen (15) years; provided, however, that the then owners of the legal title to the lots shown by the records of Harris County, having more than fifty percent of the front footage of the lots shown on the recorded plat of Oak Forest, Section Three, may release all of the lots hereby restricted from any one or more of said restrictions and covenants, and may release any lot or building site shown on said plat from any restriction or covenant created by deed from the Corporation at the end of the first twenty-five (25) year period or at the end of any fifteen (15) year period thereafter, by executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the manner then required for the recording of land instruments, at least two (2) years prior to the expiration of the first twenty-five (25) year period, or at least two (2) years before the expiration of any fifteen (15) year period thereafter.

RIGHT TO ENFORCE

The restrictions herein set forth shall be binding upon the Corporation, its successors and assigns and all parties claiming by, through or under it or them, and all subsequent property owners in said Subdivision, each of whom shall be obligated and bound to observe such restrictions, covenants and conditions, provided, however, that no such person or Corporation shall be liable except in respect to breaches committed during its, his or their ownership of said property. The violation of any such restriction, covenant or condition shall not operate to invalidate any mortgage, Deed of Trust, or other lien acquired and held in good faith against property, or any part thereof, but such liens may be enforced as against any and all property covered thereby, subject nevertheless to the restrictions, covenants and conditions herein mentioned.

Oak Forest Corporation, its successors and assigns, shall have the right to enforce observance and performance of such restrictions, covenants and conditions, and in order to prevent a breach or to enforce the observance or performance of same, shall have the right in addition to all legal remedies, to an injunction either prohibitive or mandatory. The owner of any lot or lots affected shall have the right either to prevent a breach of any such restriction, covenant or condition or to enforce the performance of same.

MAINTENANCE FUND

A sum equivalent to One Dollar (\$1.00) per lineal foot based upon the front footage of each lot may be added to the sales price of each lot when sold, and when collected from purchaser either out of the cash consideration, or as a part of the deferred purchase consideration, shall be set aside as a maintenance fund and held by Oak Forest Corporation and used for the purposes hereinafter provided. In case such deferred payments are made in installments, the Corporation shall set aside a proportionate part of all installment payments received for the payment of any lot, or a pro rata basis of the cost of the lot and the amount of the maintenance fund included in the sales price of same.

The maintenance fund so created shall be used for the purpose of maintaining streets, utilities, or for the installation of same, and for such other general purposes as are considered in the interest of and for the general welfare of the property owners of said Subdivision as a whole. The maintenance fund may be used for such purposes in the discretion of the Corporation beginning July 1, 1948.

The Corporation reserves the right to transfer said fund and the administration thereof, if and when it so desires, to three (3) individuals who shall be resident property owners in said Subdivision, such persons to constitute a Board of Trustees representing all of the owners of property in said Subdivision in the administration of the maintenance fund. The Trustees so appointed shall continue to act as such, subject to removal by the Corporation for any act considered by it adequate, and said Corporation shall have the right in case of such removal, or should a vacancy occur by death, resignation or at refusal of a Trustee to act, to appoint successor Trustees for the administration of said fund.

In case the Corporation should be dissolved or should fail or refuse to appoint a successor Trustee within thirty (30) days after receiving notice that a vacancy has occurred, any two remaining Trustees then acting as such shall have the right to fill such vacancy. If at any time the owners of fifty-one (51) per cent of the lots in said Subdivision (one lot or home site constituting one ownership) should become dissatisfied with the management of the trust, they shall have the right to remove any Trustee or Trustees and to designate and appoint a substitute Trustee or Trustees by written petition bearing the signatures of the property owners so acting. The petition shall show the property owned by each petitioner. In case property is owned by a man and wife as community property, the signature of the husband alone shall be sufficient, except that in cases where the husband resides elsewhere or has abandoned his wife, her signature alone shall be sufficient.

The petition shall be presented to the Board of Trustees then in office, and if such Trustee or Trustees, whose removal is desired, does not resign and turn over to the remaining Trustees any funds in his/her possession, upon such request, the petitioners making such request shall have the right to resort to appropriate legal action.

For the general benefit of Oak Forest, Section III, and any other sections of Oak Forest, developed in the future, the Corporation or the Board of Trustees that may be created are hereby given the right to consolidate the maintenance funds collected or accrued, with any or all maintenance funds of other sections of Oak Forest, providing such consolidation of funds would more effectively operate and maintain all sections more economically than if in separate units.

EASEMENTS

It is agreed that all sales and conveyances of lots and dedication of streets in said Subdivision shall be subject to the easements and rights-of-way heretofore granted to Oak Forest Utilities Company, and as shown on the map of Oak Forest, Section Three, filed on the 3rd day of November, 1947, County Clerk's File Number 474047 and to any easements over, under, along and across such portions of each lot, as may be reserved in each deed as being appropriate or necessary for the purpose of installing, using, repairing and maintaining public utilities, water, sewer lines, electric lighting and telephone poles, pipelines and drainage ditches or structures and/or any equipment necessary for the performance of any public or quasi-public utility service and function, with the right of access thereto for the purpose of further construction, maintenance and repairs. Such right of access to include the right, without liability on the part of any one or all of the owners or operators of such utilities, to remove any or all obstructions on said easement right-of-way, caused by trees, brush, shrubs, either on or overhanging such right-of-way, as in their opinion may interfere with the installation or operation of their circuits, lines, pipes or drainage ditches or structures. Such easements shall be for the general benefit of the Subdivision and the property owners thereof and are hereby reserved and created in favor of any and all utility companies entering into and upon said property for the purpose aforesaid.

There is also reserved and dedicated herewith for the use of all public utility companies, easements for down guy anchors and push braces adjacent to and within three (3) feet of the side lines of lots in said Subdivision, said down guy anchors and push braces to extend not more than twenty-five (25) feet from the centerline of the dedicated easements as shown on the map of said Subdivision. There is also reserved and dedicated herewith for use of all public utility companies an unobstructed aerial easement five (5) feet wide from a plane twenty (20) feet above the ground upward, located and adjacent to and on both sides of all dedicated utility easements as shown on the map of said Subdivision.

IMPORTANT NOTE:

February 2019: Deed Restrictions have been professionally transcribed from the originals that were created when Oak Forest was founded during the period between 1945-1960. Every effort was made to match the originals exactly, however, the poor quality of the original copies made transcription very difficult. Please reference the original documents filed with the Harris County Courthouse in the case of any questions about the transcription.
